Tier 1: Universal Support 100% of School Population

Support for All Students: Tutoring, Freshman transition day & mentoring, Student Goal Setting, Co-curricular and extra-curricular programs, Intervention Support, Study Island, Progress Reports/Quarter grades, School wide behavior expectations.

CORE Curriculum and Instruction: Updated curriculum aligned to state standards; Best Practices Instruction and Assessment Professional Development; Use of data to monitor on-going student achievement; PLC school culture with collaboration; A+ program.

School Structures and Communication: Updated school/student information system; Ability of parents/students to access student information on-line. Open House and Parent/Teacher Meetings; Teacher web-sites; FHN School web site with Parent/Student Handbook; e-news.

Progress Monitoring: It is our goal to provide high quality instruction and intervention matched to student need. In order to do so, we will frequently monitor student progress through a weekly Risk Report.
